

The Aperture

Travertine ring pendant

A ring of raw travertine, a turned wooden sphere and a halo of light in between. The integrated LED washes the room indirectly instead of pointing at it. Hang one over a bedside table, or run a bar of three above an island.

Over a table in a bay window

INSTALLATION & CARE

- For dry indoor rooms only. Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- The LED is integrated and not replaceable: there is no bulb to change.
- Dust the stone and wood with a soft, dry cloth. No water or cleaning products on the travertine.
- Natural travertine: veining and tone differ on every ring.
