SPECIFICATION SHEET · LAYERED GLASS PENDANT

The Bandstand

Discs of tinted glass stacked like a bandstand roof

Wide discs of tinted glass stacked one below the other under a slim black body, lit by a ring of LED inside, so the glass glows through every layer. Smoke, bottle green or amber; one layer or two.

Amber glass layers lit from within

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- The LED is integrated: there is no bulb to replace.
- Clean the glass with a soft, slightly damp cloth once switched off and cool.
