

# The Inkwell

A short drum of coloured glass on a slim brass arm

A short drum of glass, 15 cm across and open at the base, on a little dome-topped holder and a slim brushed brass arm. Lit, the glass glows in its colour.

## PLACEMENT GUIDE

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| Hallway or living room  | Centre the light about 150–170 cm above the floor.                       |
| Beside a bed            | About 120–140 cm above the floor, one each side, clear of the headboard. |
| Either side of a mirror | At eye level, about 160–170 cm above the floor, 70–90 cm apart.          |

## DETAILS

Frosted fern glass and brass holder

## INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- Use an E27 LED bulb; one is supplied.
- Wipe the glass with a soft, dry cloth once switched off and cool.
