

The Kiln

Hand-painted ceramic pendant

An 18 cm ribbed ceramic shade, painted by hand in natural tones with fine blue lines, finished with a brass lamp holder and a twisted fabric flex. Six patterns. Brush marks and small irregularities are the point, not a fault: no two shades are quite the same.

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting or changing the bulb.
- Use an E27 bulb of 60 W maximum. A warm white 3000 K LED bulb is supplied.
- Dust with a soft, dry cloth. Do not use water or cleaning products on the painted ceramic.
- Each shade is painted by hand: small variations in line, tone and glaze are part of the piece.
