The Marmalade

Tiers of textured amber glass on a copper-finish frame

Rings of textured amber glass panels hang one below the other on a copper-finish frame. Each ring holds a row of small bulbs that shine through the glass, so the whole piece glows a deep honey colour.

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- Use small E14 LED bulbs; they are supplied.
- Clean the glass with a soft, slightly damp cloth once switched off and cool.
