

The Monocle

Rippled mouth-blown glass wall light with integrated LED

Each disc is blown by hand and rippled like the surface of a pond, with a frosted centre where a warm LED glows. The discs sit on a slim anodised aluminium stem in Brass or Jet.

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- The LED is integrated: there is no bulb to replace.
- Dust the glass with a soft, dry cloth.
