

The Nightcap

Rotating cylinder reading wall light

A short metal cylinder on a slim wall plate, finished in a soft matte colour. The shade swivels through 350°, so the same light can point down onto a book, turn to wash the wall, or swing across to a desk.

Polished swivel joint

Over the writing desk

Reading corner

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- Use an E27 LED bulb; one is supplied.
- Wipe with a soft, dry cloth.
