

The Odeon

Two tiers of opal glass with integrated LED

Two rounded tiers of glossy opal glass sit one above the other, closed underneath by a flat glass disc with a small polished finial. Lit, the glass glows evenly, with a soft line where the tiers meet.

DIMENSIONS

Sizes	Ø 32 or 40 cm
Depth	13 cm
Mounting	Flush to the ceiling

PLACEMENT GUIDE

Choosing the size	Ø 32 cm for landings, hallways and small bedrooms, Ø 40 cm for most bedrooms and living rooms.
Low ceilings	At 13 cm deep it sits close to the ceiling, where a pendant would hang too low.
Placement	Centre it in the room, or use two along a long hallway.

DETAILS

Two tiers of opal glass

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
 - Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
 - The LED is integrated: there is no bulb to replace.
 - Clean the glass with a soft, slightly damp cloth once switched off and cool.
