

The Orchard

Brass and wood ceiling light with opal glass shades

A turned wooden column, curved brass arms and rounded opal glass shades shaped like ripening fruit. Each shade diffuses the light evenly, so the room fills with a warm glow without glare.

Edwardian hall

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- Use E27 LED bulbs; one per shade is supplied.
- Clean the glass with a soft, slightly damp cloth once switched off and cool.
