

The Plumb

A slim black tube with an LED spot

A slim matt black tube, 3.8 cm across and 28 cm long, on a fine cord. An LED spot in its open end sends a focused pool of light straight down: beside a bed, over an island or in a stairwell.

The LED spot in the open end

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- The LED is integrated: there is no bulb to replace.
