

The Quill

Marble up-and-down wall light

A slender marble baton on a solid copper body, throwing light both up and down the wall: two soft washes instead of one flat pool, the trick that gives a plain wall height and depth.

INSTALLATION & CARE

- For dry indoor rooms only (IP20). Not suitable for bathrooms or outdoor use.
- Must be connected to the mains by a qualified electrician, in line with current UK wiring regulations.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- The LED is integrated: there is no bulb to change.
- Dust the marble with a soft, dry cloth. No water or cleaning products.
- Natural marble: no two shades match.
