

The Stable

A swan-neck barn light in aged bronze

A round backplate carries a curved tubular arm and a wide, shallow bowl shade in an aged bronze finish. It throws a warm pool of light down onto the door, the step and the path.

Over barn or garage doors	One or two above the doors, Long Arm to reach out over a wide opening.
Along a wall	Space several evenly, about 2-3 m apart, at the same height.

DETAILS

Aged bronze with worn gold

INSTALLATION & CARE

- For outdoor walls, ideally under an eave, connected to an outdoor supply by a qualified electrician.
- Switch off at the mains before fitting, cleaning or changing a bulb.
- Use an E27 LED bulb; one is supplied.
