

The Threshold

A slim outdoor bar, with or without a motion sensor

A low rectangular bar, 4 cm high, sits above or beside the front door and sends its light down onto the door and the step. With the motion sensor, it switches on as someone approaches.

SELDEN HOME

DIMENSIONS

Lengths	32, 60 or 80 cm
Height	4 cm
Depth	7.9 cm

PLACEMENT GUIDE

Beside a front door	One each side, centred at about head height; 30–60 cm lengths suit most doors.
Along a garden wall	Space several evenly, about 1.5–2 m apart, so the light reads as a rhythm.
Above patio doors	Mount a longer bar level, just above the frame, with the light washing down.

Light washing down the brick

INSTALLATION & CARE

- For outdoor walls, connected to an outdoor supply by a qualified electrician.
- Switch off at the mains before fitting, cleaning or changing a bulb.
 - The LED is integrated: there is no bulb to replace.
